Address and/or legal description of property for which consent for entry and access is being granted:

Legal Property Description 1 D C Street Property Address

FIELDS LANDING
CA 95537

Relationship to property: OWNER
(i.e. owner, owner's representative, tenant, etc.)

I, the undersigned, am the owner, their representative, or otherwise control the real property at the location described above. Towill, Inc. has requested entry and access to my property pursuant to installing a temporary Water Level Station under Towill's contract with the United States Army Corps of Engineers (USACE), Contract number W912P7-10-D-0001, Delivery Order No. 0004.

Towill, Inc. agrees to conduct all activities in a professional manner with minimum impact to any on-going activities on the property, to promptly remove all equipment after data collection is complete, and to leave the property in the same condition as it was found.

I consent to officers, employees, and authorized representatives of Towill, Inc., including their authorized contractors, entering and having continued access to my property for a period of time not to exceed 6 months for the following purposes:

1. Visually inspecting and photographing the property for the purpose of planning the installation of a temporary Water Level Station.
2. Installing a temporary Water Level Station, consisting of a water level sensor, protective well, small (16" x 18" x 8") housing for battery and electronic instruments, and a small photovoltaic panel, if needed.
3. Maintaining and removing the temporary Water level station after 3 full months of site calibration.
